BikeUMD

UMD BICYCLE REGISTRATION

FOR STEP BY STEP INSTRUCTIONS ON HOW TO REGISTER YOUR BIKE SEE BACK FOR DETAILS

WHY REGISTER MY BICYCLE?

- Provides a record of ownership – needed to report a stolen bicycle to Campus Police.
- Allows a recovered bicycle to be returned to owner.
- BikeUMD will notify you if your bike looks abandoned or is parked illegally beforecutting your lock and impounding your bike.
- Allows BikeUMD to cut your lock if you lose the key to your lock or if it is jammed or broken.
- If a construction or landscaping project disturbs a bike parking area, you will be notified if/when your bike is relocated or at risk of being relocated.
- Gives BikeUMD a better idea of how many people are biking on campus to offer better programs and more bike racks and infrastructure.
- Allows BikeUMD to effectively communicate major bike regulations, policy changes, and safety issues.
- It's FREE!

HOW DO I REGISTER MY BICYCLE

- **Go to https://bikeindex.org/umd and follow the instructions**
  - *Under REGISTER YOUR BIKE, enter your email,bike manufacturer and primary frame color*
  - *This will create your account with Bike Index*
