

Evening Service & NITE Ride Map

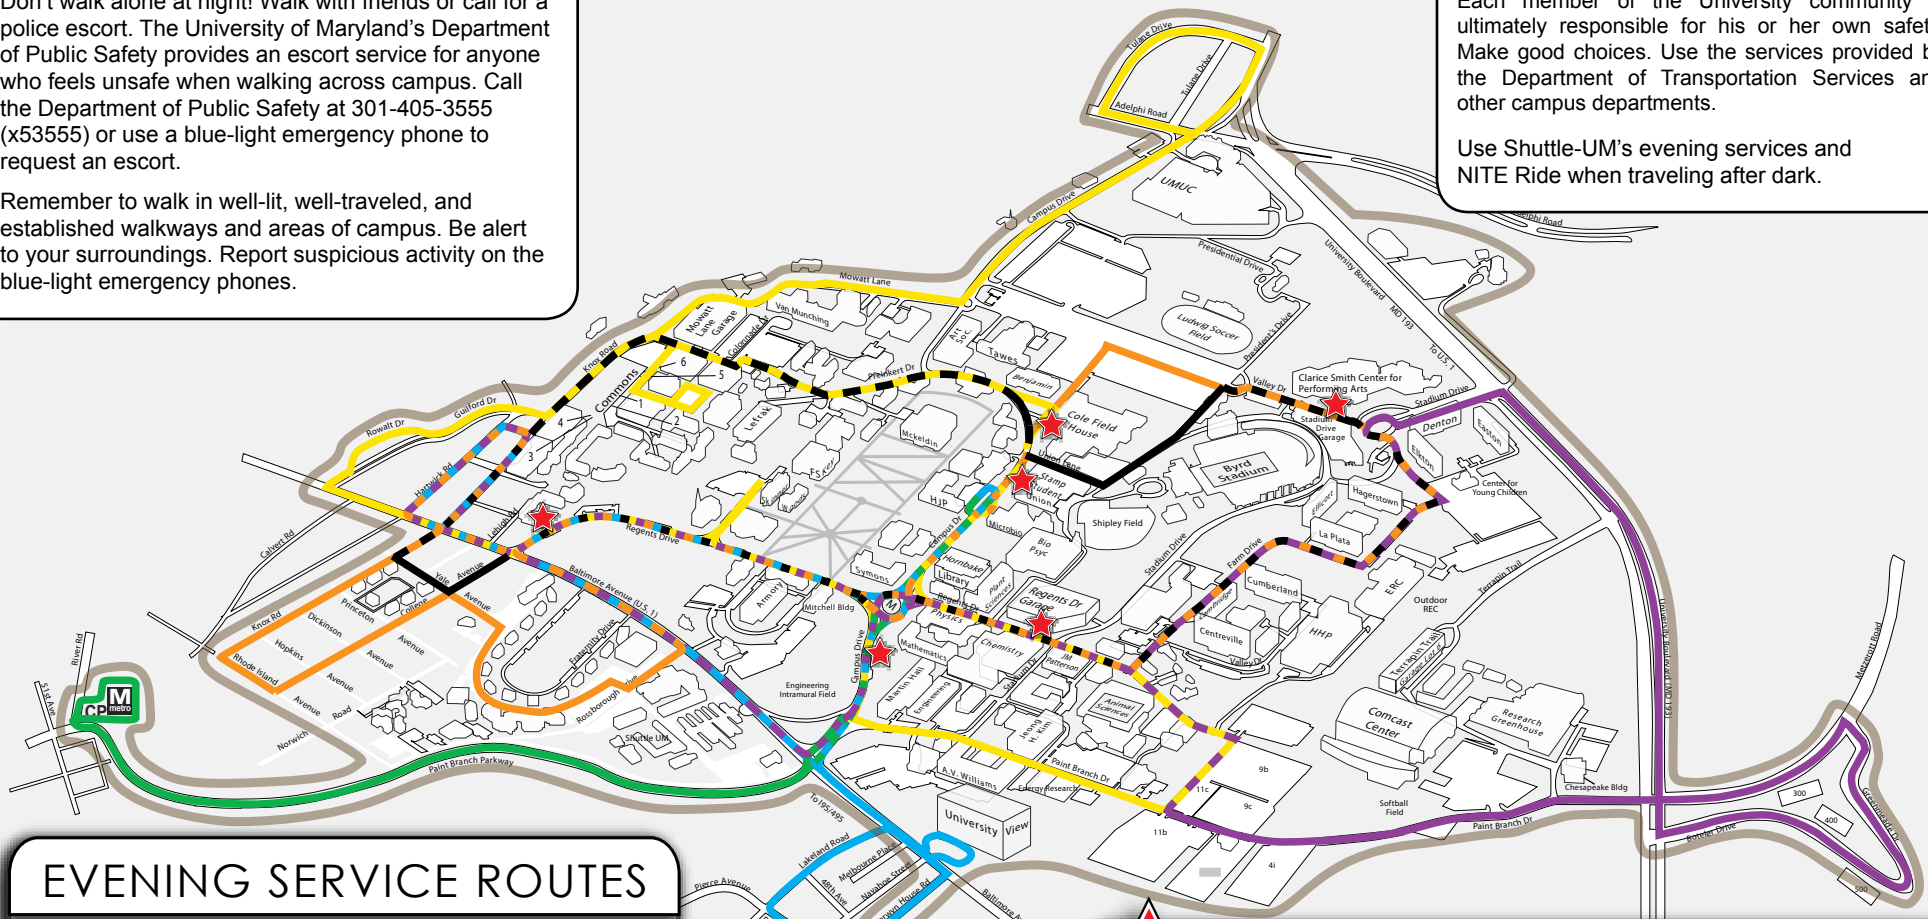

This map is designed to illustrate the general coverage area of the Evening Service routes, NITE Ride boundaries and the main transfer points on campus. Please refer to individual schedules for detailed route information.

Don't walk alone at night! Walk with friends or call for a police escort. The University of Maryland's Department of Public Safety provides an escort service for anyone who feels unsafe when walking across campus. Call the Department of Public Safety at 301-405-3555 (x53555) or use a blue-light emergency phone to request an escort.

Remember to walk in well-lit, well-traveled, and established walkways and areas of campus. Be alert to your surroundings. Report suspicious activity on the blue-light emergency phones.

Each member of the University community is ultimately responsible for his or her own safety. Make good choices. Use the services provided by the Department of Transportation Services and other campus departments.

Use Shuttle-UM's evening services and NITE Ride when traveling after dark.

EVENING SERVICE ROUTES
