

## **Football Parking Operations 2008**

- Campus parking areas have been divided into four, color-coded zones including red, yellow, white, and black.
- Terrapin Club members who pre-purchase parking receive their standard permit with a lot assignment indicated for the red parking zone. There have been no changes to Terrapin Club parking areas or permits.

For example, white CASH permits will be valid in areas indicated in white on both the map and in their parking area; yellow CASH permits will be valid in areas indicated in yellow and so on. CASH permits arriving at areas indicated for another color will be redirected to their assigned area.
