SHUTTLE-UM SERVES MORE THAN JUST CAMPUS; IT’S THE DRIVING FORCE OF MARYLAND. ITS 23 ROUTES COVER LOCAL NEIGHBORHOODS SUCH AS GREENBELT AND HYATTSVILLE AND EXTEND AS FAR AS 20 MILES NORTH TO COLUMBIA—THAT’S A LOT OF TERRITORY TO NAVIGATE! WOULDN’T IT BE HELPFUL IF SOMEONE SHOWED YOU HOW TO GET THE MOST MILEAGE OUT OF SHUTTLE-UM’S VAST NETWORK? HOW WOULD YOUR LIFE BE DIFFERENT IF YOU WERE A WHIZ AT TRACKING ETAS OR KNEW WHICH ROUTES COULD TAKE YOU TO THE GROCERY STORE?

If you’re a Shuttle-UM expert, it’s time to share your Shuttle-UM life hacks. And we’d like to help! We are offering $1500 to the student that can create the best two- to five-minute video that provides a helpful and informative introduction to the bus system at UMD. The winning video will provide a newcomer to campus with the knowledge and tools to help them navigate Shuttle-UM!

Videos should be creative and fun as well as informative. Videos will be judged on their content (all of which should be factual – no urban legends, please), originality and creativity.

TO BE ELIGIBLE TO WIN, VIDEOS MUST CONTAIN THE FOLLOWING:

• How to read a Shuttle-UM schedule and where to find them
• How to use NextBus and NextBus alerts to determine when your bus will arrive and if it’s on time
• Which Shuttle-UM routes can take you to your favorite off-campus locations, such as the grocery store, shopping mall, restaurants, metro, movie theater, and other essential locations for students.

YOU MIGHT ALSO WANT TO INCLUDE INFORMATION ON ANY OF THE FOLLOWING:

• When reduced schedules usually go into effect and where to find that information.
• How to plan your Shuttle-UM trip to ensure that you arrive on-time (Hint: we always recommend that Terps take the bus before the one they actually need).
• Break transportation that Shuttle-UM provides to students
• How Shuttle-UM is helpful for commuters: which routes are considered commuter routes?
