

2026-2027 Micromobility Registration Medical Request Form

****Must be completed by your health care provider****

On our campus, students living in on-campus properties, including UMD residence halls, university-owned fraternity and sorority chapter houses, Discovery House and South Campus Commons, are not permitted to bring personal electric micromobility devices (electric bikes, electric scooters, skateboards or any other privately-owned electric micromobility devices) to campus. Personal mobility aids (PMAs) designed to support individuals with limited mobility, such as power wheelchairs, mobility scooters and walking aids with powered assistance, are not included in this regulation.

Your patient has requested permission to register their electric micromobility device (electric bike, electric scooter, skateboard or any other privately-owned electric micromobility devices) due to a medical need. **We ask that you please fill out this form to validate this patient's request and confirm your support of their use of this device as a temporary mobility aid.**

Please complete the following and return to the student.
