How to Read a Parking Lot Sign

At the entrance of each parking area, there is a parking lot restriction sign. Understanding the restrictions specified by each sign is an important factor in having a pleasant parking experience at the University of Maryland.

BLACK vs. RED

Lot signs are color-coded to easily distinguish parking restrictions. Signs with BLACK text welcome parking after 4 p.m. on weekdays and all day on weekends without a permit or Campus License Plate Registration (CLPR); lot signs with RED text are used to bring awareness to various parking restrictions.

LETTER or NUMBER

Signs that begin with a LETTER are considered faculty/staff lots, regardless of any sub-number that follows it. Signs that begin with a NUMBER are considered student lots.

SPECIAL RESTRICTIONS

The area below the lot assignment indicates any special restrictions to the lot. During restricted hours, only permits or CLPR assigned to the parking area are permitted to park in the lot.

Types of Parking Lot Signs

24-HOUR RESTRICTION

Only permits or CLPRs corresponding to that area are permitted to park there at any time.

MODIFIED RESTRICTIONS

During 4 p.m.-8 p.m. on weekdays and all day on weekends, only faculty/staff with valid parking registration are permitted to park there. Anyone may park there on weekdays from 8 p.m.-7 a.m.

FACULTY/STAFF RESTRICTIONS

UNRESTRICTED AFTER 4 P.M.

After 4 p.m. on weekdays all day on weekends, no CLPR is required for these lots. These lots become unrestricted to all faculty/staff, students and visitors, with the exception of special events.

Special Events Parking

Access to certain parking areas is occasionally restricted during major campus events. Signs indicating restrictions are posted at the entrance to any affected areas in advance. Parking registrants may also receive email alerts related to major parking disruptions throughout the year.
