UMD DOTS CARPOOL PERMIT APPLICATION FORM

CARPOOL MEMBERS (All members must complete this form)

To qualify for a carpool permit, each carpool member must meet all the eligibility requirements for the duration of the permit.

ELIGIBILITY (Each member must meet ALL of the following criteria for the duration of the period and sign this form, confirming that her or she is eligible)

- All carpool applicants must have an existing parking permit in order to purchase a carpool permit.
- Carpool members must have a current affiliation with UMD and live off-campus.
- Carpool members will be commuting to campus for the duration of this permit.
- Carpool members will not use any UMD parking permit except this carpool permit and daily parking permits the time they are carpool members.
- Carpool members understand that if they give false information to obtain a carpool permit, they may lose their privilege to receive any transportation benefits from UMD.

RULES AND REGULATIONS

- The permit holder and all riders will be connected to the carpool permit and thus not eligible for another permit.
- Carpool members are ineligible to obtain additional permits of any type (excluding bundle pack permits).
- Carpool permit must be visible at all times when vehicle is parked.
- Participants must contact DOTS within ten business days if their University affiliation status changes. Failure to do so may result in notification of suspension of Carpool parking privileges, surrender of the Carpool permit and denial of future Carpool permits/privileges.
- Any violation of the campus parking regulations are grounds for citations or impoundment of vehicle for a faculty, staff or student.
- If the carpool dissolves, the members will be eligible for getting individual parking permits. Upon receiving individual permit, normal parking permit fee may be payroll deducted.

I certify that all information is true, I am eligible for Carpool Program, and I accept the terms stated above.
